## Northern Dong of China

language: Northern Dong  
primary religion: Ethnic Religions  
population: 1,360,000

### Considered extremely receptive, yet unreached

- No Christian resources are available in the Dong language.
- The primary religion practiced is Chinese folk religion, a complex mix of beliefs and practices that typically includes elements of Buddhism, Taoism and ancestral veneration.
- The Dong are considered receptive to the gospel, but have been neglected by outreach groups.
- A growing number of young people are non-religious.
