

## BUDAKUKKALA

Population: 18,500

Religion: Hinduism

Christian: 0%

Language: Telugu

The Budakukkala of India, numbering 18,500, are unengaged and unreached. This people group is only found in India. Their primary language is Telugu.

The primary religion practiced by the Budakukkala is Hinduism, the predominant religious tradition of the Indian subcontinent. There are many forms of Hinduism, each with its own deities and beliefs

There are no known believers among the Budakukkala. Pray for them to hear the gospel and accept God's love and truth for their lives.

Pray for the future Budakukkala believers, for their strength and perseverance in the face of persecution and adversity. Pray for a strong community of believers to be raised up.
