India

Religion: Hinduism

Christian: 0%

The Mukhi of India are unengaged and unreached. They are part of the Assamese people cluster within the South Asian Peoples affinity bloc. This people group is only found in India. Their primary language is Assamese.

The primary religion practiced by the Mukhi is Hinduism, the predominant religious tradition of the Indian subcontinent. There are many forms of Hinduism, each with its own deities and beliefs.

Pray for believers to make it through the physical and social barriers that are keeping the gospel from the Mukhi.

Pray that the Mukhi will accept the gospel when they hear it and that they'll become a force for Christ in far east India.
