The Tirgar of India, numbering 18,500, are unengaged and unreached. They are part of the Gujarati people cluster within the South Asian Peoples affinity bloc. This people group is only found in India. Their primary language is Gujarati.

The primary religion practiced by the Tirgar is ethnic religion. Ethnic religion is deeply rooted in a people's ethnic identity and conversion essentially equates to cultural assimilation.

Pray for the Tirgar to realize the emptiness of the village gods and spirits they worship. Pray that they'll soon see and experience the fullness of the living God.

Pray for believers to reach out to the Tirgar people and to commit to sharing the gospel with them, no matter the time or effort it takes.
