

Engaging Your Unreached People Group

Thank you for your interest in engaging with the unreached people group for whom you are praying. There are a variety of ways you and your church can share in the work of taking the Gospel to this people group.

Pray and recruit more prayer warriors

Prayer is a way that everyone can participate in God's work among the nations no matter your gifts and callings. Learning as much as you can about your people group will help you pray more specifically and effectively.

Resources for learning about your people group

- <http://www.peoplegroups.org>
- <https://joshuaproject.net/>
- http://kcm.co.kr/bethany_eng/home.html
- <http://www.operationworld.org>

Beyond your individual prayers, you can multiply your efforts by recruiting others to pray with you. Mobilize a prayer team at your church such as your Sunday school class, life group, Bible study group or your whole church to pray regularly for your people group.

Advocate for your people group at your church

- Volunteer to serve on your church's missions team
- Hold an event to educate your church about your people group with the music, food, art, history and customs of your people group on display.
- Host a Kairos course at your church <https://teamexpansion.org/aboutkairos/>

Support workers in the field

There might be a missionary or missionary team working with your people group or in an area close to your people group. U4theU volunteers are eager to help you find them and explore ways you can connect with these workers and pray for them. You can contact a U4theU volunteer at <http://www.u4theu.com/contact/>.

Be a worker in the field

Perhaps God has called you to the harvest field. Perhaps you are the one who will carry the Gospel to your people group. Prayerfully consider going to the field. If you feel called to go, we can help. If you are not sure of your calling, we can help you define your call with short term opportunities. To find out more go to <https://teamexpansion.org/go/>.

PACE

Team Expansion partners with churches to send church planting teams among unreached people groups. You and your church would be a part of designing and implementing a movement to make disciples among an unreached people group.
