Punjabi Sikhs of India

language: Punjabi
primary religion: Sikhism
population: 11,147,000

Proud and noble, filled with integrity, yet no knowledge of Jesus

- Though Sikhs are a small minority in India, the community occupies a significant place in the country including in the military, government and education.
- The Sikh religion's search for 'one god who transcends all religions' can provide the open door to share Jesus - the one true God and Savior - with them.
