

Reaching the Unreached

Existing Resources

Resources Needed

Arabs of Libya

language: Arabic
primary religion: Islam
population: 1,873,000

Reportedly one of the most unreached people groups

- Evangelism and missions work are technically forbidden in Libya.
- Congregations of ex-patriots are able to meet but are closely monitored, and a Libyan would not be able to attend for fear of being watched, betrayed, imprisoned, or even killed.

UNLEASHED FOR THE
UNREACHED
