of
India

Population: 21,000

Religion: Hinduism

The Bindla of India are unengaged and unreached. They are part of the Telugu people cluster within the South Asian Peoples affinity bloc. This people group is only found in India. Their primary language is Telugu.

There are no known believers among the Bindla, but pray for them to hear the gospel and accept God's love and truth for their lives.

Pray for the future Bindla believers, for their strength and perseverance in the face of persecution and adversity. Pray for a strong community of believers to be raised up.
