

GUAL

of
India

Population: 18,000

Religion: Hinduism

Christian: 0%

Language: Hindi

Traditionally the Gual were involved in dairy-farming and cattle-raising, now many have diversified into other occupations.

Spiritual darkness is deep in Uttar Pradesh, the main home of the Gual people.

Please pray for those in this people group who will one day come to be disciples of Jesus Christ. They will need to be fed, spiritually.

Please pray for employment opportunities for the Gual people, and for clean water and adequate medical care.
