The Koliyan of India, numbering 14,000, are unengaged and unreached. They are part of the Tamil people cluster within the South Asian Peoples affinity bloc. This people group is only found in India. Their primary language is Tamil.

The primary religion practiced by the Koliyan is Hinduism, the predominant religious tradition of the Indian subcontinent. There are many forms of Hinduism, each with its own deities and beliefs.

Pray that believers from southern Indian churches would recognize the Koliyan's lack of access to the gospel and that they would become the evangelists the Koliyan people need.

Pray for intercessors to be raised up that would daily cry out to God for the salvation of the Koliyan.
