The Sitaria of India, numbering 21,500, are unengaged and unreached. They are part of the Hindi people cluster within the South Asian Peoples affinity bloc. This people group is only found in India. Their primary language is Sadri.

The primary religion practiced by the Sitaria is Hinduism, the predominant religious tradition of the Indian subcontinent. There are many forms of Hinduism, each with its own deities and beliefs.

Pray for the Sitaria people to begin to see the flaws of Hinduism and for them to begin searching for something more fulfilling.

Pray for a church to adopt the Sitaria, pray for them daily, and commit to bringing them the gospel.
