The Thammadi of India, numbering 20,500, are unengaged and unreached. They are part of the Kannada people cluster within the South Asian Peoples affinity bloc.

This people group is only found in India. Their primary language is Telugu.

The primary religion practiced by the Thammadi is Hinduism, the predominant religious tradition of the Indian subcontinent. There are many forms of Hinduism, each with its own deities and beliefs.

Pray for the Thammadi people to begin to see the flaws of Hinduism and for them to begin searching for something more fulfilling.

Pray for a church to adopt the Thammadi, pray for them daily, and commit to bringing them the gospel.
