

Dear U4theU Wall Host,

Team Expansion, a 501C organization, does not charge a rental fee to host the wall. However, as with any endeavor, there are costs for damage, loss and maintenance. To help cover those costs we ask, if possible, for each wall host to donate \$250 per Sunday usage. This freewill donation is entirely optional, and is in no way a charge for hosting the wall. Please know that any donation will be greatly appreciated and used wisely on behalf of Unreached Peoples.

In His Service,  
Amber Hedger
